About

Irish American University Online

Irish American University Online (IAU Online) is a constituent college of Irish American University, offering flexible, globally accessible program designed for modern learners.

Founded on a strong academic tradition established in 1993, the institution has evolved from a study-abroad campus into a global education provider with a diverse, international student body.

IAU Online combines the strengths of Irish and American higher education, delivering a rigorous, engaging, and career-relevant learning experience grounded in academic excellence, innovation, and ethical integrity.

Mission

To deliver the best of Irish and American higher education in an intimate, student-centered environment rooted in a holistic liberal and fine arts tradition - empowering students to realize their creative potential and succeed globally.

Vision

Irish American University fosters a passion for education that cultivates individual creativity and talent, advances meaningful career development, and promotes lifelong learning. Through a rigorous and engaging academic experience, it empowers students to think critically, lead with integrity, and apply their knowledge with confidence in an evolving global environment.

Globally Recognized. Internationally Accredited.

IAU Online is accredited by the Middle States Commission on Higher Education (MSCHE), a respected US accrediting body.

Accreditation confirms that the institution meets rigorous academic standards and delivers high-quality education aligned with international benchmarks.

Program Fee
€14.5K

Irish American University and its constituent colleges are also licensed by the Department of Education of the State of Delaware to award degrees at undergraduate and postgraduate levels.
